Limited warranty

Umano Medical warrants to the original purchaser that the products shall be free of structural defects in material and workmanship for a determined period after date of delivery; refer to the purchase documentation for information about the available warranty time periods. **Umano Medical's** obligation under this warranty is expressly limited to supplying replacement parts and/or service for, or replacing, at its option, any product that is, in the sole discretion of **Umano Medical**, found to be defective. In addition, **Umano Medical** warrants for life to the original purchaser that the welds on its products will be free from structural defects.

Any repair using non-authorized or non-original parts and any product alteration or modification will void this warranty.

Parts and service

Original service parts are available for the lifetime of the product. Contact **Umano Medical** at:

Warranty

Each EasyBoost Repositioning System device comes with a 12-month warranty and the extended warranty (total of 4 years) is available for purchase.

This includes all replacement parts, not including the Zipper Sheets.

This includes up to 3 replacement remotes and power cords per unit per year, additional remotes or cords need to be purchased.

Warranty

Complete warranty coverage for any manufacturer's defect during the term (standard warranty is one year). Extended warranty is available for purchase.

Warranty

Complete warranty coverage for any manufacturer's defect during the term (2 years).

Warranty

SaferSonic products are warranted to be free of defects, will perform as intended, and guaranteed to be as good, as long as the expiration date has not occurred.

Applied Silver Warranty

Warranty – SilvaClean Cartridges

Applied Silver warrants that SilvaClean® cartridges, when stored and used according to Applied Silver's specifications, will be free from material defects in workmanship and conform to published specifications for a period of one (1) year from the date of shipment. If a defect is identified within this period, Applied Silver will, at its discretion, replace the defective cartridges or issue a credit for the purchase price. This warranty does not cover issues resulting from misuse, improper installation, unauthorized alterations, or use outside of recommended environmental or process conditions. No other warranties are expressed or implied, including those of merchantability or fitness for a particular purpose.

Umanomedical

RETURN GOODS POLICY

Umano Medical has a liberal return and/or exchange program. We are committed to providing each customer with superior equipment and products which have been designed and manufactured to meet the customer's specific needs.

Umano Medical offers a full range of products, systems, services and solutions to its customers. If a customer receives a product and is not satisfied, **Umano Medical** will take the necessary actions to resolve the customer's issues, including accepting the product as a return when appropriate.

Shipment receipt

The customer should examine the shipment upon receipt. **Umano Medical** must be notified by the customer within 30 days of invoice of any short shipment, or any order-mistake.

Apparent shipment damage must be noted on delivery receipt and notified immediately to **Umano Medical**. A claim in the amount of replacement cost will be initiated with the carrier for the damages incurred. If any damage is found, the customer must notify **Umano Medical** within 15 days of shipment receipt.

CAPITAL EQUIPMENT RETURNS

Umano Medical shall accept equipment, goods or products for return/credit or exchange providing that the items have not been removed from the original shipping box or container. If a product(s) is returned, restocking fees will not apply towards damaged, defective and products shipped in error. If the product of a larger sale that included a quantity discount price, the sales price on the remaining items will be adjusted and an additional order/invoice will be generated for the difference.

All returns relating to customers' errors will be subject to a fifteen percent (20%) restocking fee. Unless **Umano Medical** is responsible for the mistake, the customer will be required to pay freight in both directions.

All returns must be approved by **Umano Medical** prior to receiving a Returned Materials Authorization (RMA) number. All items returned to **Umano Medical** must be clearly identified on the outside of the container with a valid RMA number. RMA numbers are issued by a **Umano Medical** Customer Service Representative (1-844-409-4030). Any returned item(s) received by **Umano Medical** that is/are not identified with a valid RMA number will be refused by **Umano Medical** and will be returned to the sender.

Return Policy

Although we strive to deliver the highest quality products on every shipment, HR HealthCare understands that product will sustain damage in transit or product is sometimes ordered in error. Below are the policies set forth by HR HealthCare with respect to undamaged returns, damaged shipments, concealed damages, and non-conforming product. These policies shall govern all product returns and will be strictly adhered to, unless a specific agreement has been established. Please contact HR HealthCare Customer Service at 717.252.1110 for assistance with your return request.

1. Undamaged Returns

a. Within Thirty (30) Days of Delivery Date

- Material that is in its original packaging, unopened and undamaged, may be considered for return and credit by HR HealthCare within thirty (30) calendar days of the delivery date. The customer will be responsible for the following:
 - 20% Restocking Fee
 - Return Shipping
 - Obtain a Return Merchandise Authorization (RMA) for the return

b. Outside of Thirty (30) Days from Delivery Date

- No product is eligible for return outside of thirty (30) calendar days from the delivery date.

2. Damaged Shipments

a. Physical Damage; Open/Obvious Damage

- HR HealthCare understands and acknowledges that, on occasion, product will be damaged during the normal shipping process, despite preventative measures taken by HR HealthCare such as proper packaging, pre-shipment inspection(s), and carrier selection. Customer warehouse personnel shall complete a thorough and timely incoming inspection at the dock to ensure the product is not damaged. Product that the customer's warehouse personnel identify as damaged in transit shall not be accepted and refused with the carrier. HR HealthCare will not issue a credit for product that is damaged in transit and accepted by the customer.

b. Concealed Damages

- HR HealthCare understands and acknowledges that, on occasion, product will be damaged during the normal shipping process and such damage is concealed and not visible during the incoming inspection process by the customer's warehouse personnel. When damage to product is identified after the product has been unloaded and accepted by the customer, such damage must be promptly communicated to HR HealthCare Customer Service. To be eligible for credit, a photo of the damaged product must be emailed to discrepancies@hrhealthcare.com for evaluation and reported within two (2) business days from the date of delivery. HR HealthCare will review the concealed damage submission and will advise if the product is eligible for return/credit. ****This return is not subject to a restocking fee.****

3. Non-Conforming Product

- In the event a product does not meet the stated specifications and the product is sealed with no sign of tampering, HR HealthCare will issue an RMA and either provide a credit or ship replacement product, provided the non-conforming product is reported to HR HealthCare Customer Service within thirty (30) calendar days of delivery date. ****This return is not subject to a restocking fee.****

4. General Return Information

- When product eligible for credit/replacement is timely reported to HR HealthCare Customer Service and the return request is accepted by HR HealthCare, Customer Service will issue an RMA or Proof of Destruction (POD) form to the customer for the return to be processed. If the return is accepted, HR HealthCare will then issue the customer a credit or ship the customer replacement product of equal value.

NOTE: ALL RETURNS MUST HAVE AN RMA OR POD TO BE ACCEPTED.

Arise HealthCare Return Policy

Authorization

All returns must be authorized by Arise HCP before receipt. The product must be returned within 90 days of purchase. Authorizations are valid for 30 days. Return goods authorizations (RGAs) may be arranged either by phoning Customer Service or by contacting an Arise HCP sales representative. Unauthorized returns may be returned to the customer at the customer's expense, destroyed by Arise at Arise's discretion, or subject to additional charges without credit being issued to the customer. This policy applies to all customers unless superseded by a separate written agreement that includes specific return goods terms and conditions.

Return Procedure

After obtaining an RGA, each return must include the following information:

- Customer's name, address, and account number.
- RGA number.
- Original PO number or original Arise order number.
- Lot number and expiration dates where applicable.

Return Policy

Defective products are returnable with prior authorization. Non-defective products may be returned, provided the customer has obtained prior authorization from Arise if such products are in salable condition and suitable for restocking. Freight and restocking may apply as noted in the Restocking Fee Schedule listed below. The product must be returned within 90 days of receipt.

The following conditions will not be considered for return.

- Pharmaceutical items are non-returnable.
- Products purchased more than three months before return request.
- Products considered hazardous materials.
- Special or custom products made to customer specifications or sold as non-returnable.
- Products returned in altered or damaged packaging, or in packaging other than original packaging.

- Refrigerated items.
- Packs broken, breached or damaged.
- Items in unsalable units of measure where product cannot be resold.
- Returns prohibited by state law*.
- Products with less than 3 months shelf life remaining based on expiration dates.
- Third-party vendor products that require a vendor return authorization are subject to the vendor's return policy and applicable fees.
- Issuance of an RGA number does not guarantee credit. Credit issuance is dependent on confirmed receipt/review of returned products.
- **Defective product**

Defective products properly noted damaged products, and returns that are the result of an Arise HCP error may be returned at Arise's expense and for a full credit, subject to the other provisions of this policy. To minimize any delay in resolving a damage or shortage claim, the customer is required to count all receipts before the customer accepts delivery from the carrier. All damages or shortages must be noted on the carrier's freight bill or bill of lading and be countersigned by the customer. The damaged products must remain in the original carton, in the event inspection is required by the transportation company. Customers must notify Arise HCP of any damages in transit or product shortages within two (2) business days of receipt, or Arise HCP shall have no obligation to process credit or arrange for product replacement. Contact Arise HCP Customer Service at 1-209-604-4343 or an Arise HCP sales representative to report damages or shortages.

- **Restocking Fee Schedule**

Return from Date of Invoice	Re-stocking fee Percentage
0 – 30 Days	5% / \$25 minimum + Freight
31 – 60 Days	10% / \$25 minimum + Freight
61 – 90 Days	20% / \$25 minimum + Freight
Greater than 90 days	

Returned Goods Policy

Product can be returned in original working condition within 30 days, and a 10% re-stocking fee will be charged.

Applied Silver Returned Goods Policy

Returned Goods Policy – SilvaClean Cartridges

Returns of SilvaClean® cartridges will be accepted within 30 days of delivery, provided the product is unopened, unused, and in its original packaging. Prior authorization is required, and a return authorization number must be issued by Applied Silver before the return is processed. Returned goods must be accompanied by proof of purchase and will be inspected upon receipt. Credit or replacement will be issued for eligible returns, excluding shipping costs unless the return is due to a shipment error or product defect attributable to Applied Silver.

U.S. SURGITECH

Your Source For Medical Products

Return Policy

All returns must include a Returned Merchandise Authorization (RMA) form with a valid number issued by a representative of U.S. Surgitech, Inc.

Return Terms:

Any return accepted is subject to a 25% restocking fee (minimum charge of \$10.00) and the customer will be responsible for shipping charges back to the warehouse unless the following criteria is met:

- Items were shipped in error
- Defective items were shipped
- Incorrect items were shipped
- Evaluated items

All authorized returns must be made within thirty (30) days of the invoice date. Items must be returned unused and in marketable condition. Refurbishing and replacement charges will be added to the restocking fee for damaged or missing items. All returned items are subject to U.S. Surgitech inspection and acceptance. Product must be shipped prepaid and accompanied by the appropriate RMA form. No exceptions.

Non-Returnable Items:

- Private labeled, laser marked, or instruments etched or labeled by the hospital
- Products damaged beyond repair or refurbishment or not in saleable condition
- Custom, special, or modified items
- Sterile, single use disposable items
- Instruments returned more than thirty (30) days after the invoice date

Ship all returns to:
